## CUSTOMISE YOUR OWN PASTRY BOX

Pastries can be pre-ordered two days in advance, subject to availability. There is a **MOQ of 8 pcs per kind** as items are freshly baked in small batches to each customised order.

All pastry boxes come packaged with fresh herbs and a personalised handwritten card. A packaging fee of \$2/box applies. This helps to keep the prices of the pastries fair.

Personalised stickers are available for special occasions & events (additional charges apply).

Collection will be at our private studio in Tiong Bahru, or you may arrange for your own delivery. Storage and consumption tips will be sent to you after collection.

*All of our pastries are made with quality ingredients with no added colourings, flavourings and preservatives.*

*Specialized in styling rustic pastry boxes, Hwe bakes for your everyday moments, intimate gatherings with families & friends, and big parties with your guests at milestone celebrations.*

*If you're looking for sweet & savoury canapés, come chat with us – we'd love to get to know you and help add some sparkle to your next event!*
